Flosh Meadows aims to deliver a self-build development that suits the needs of local people living in and around West Cumbria and those who decide to join them in this marvellous part of the UK.

Only 10 minutes away by car or bus to the maritime port of Whitehaven once the third largest in the UK with trade links all over the world. The town's prosperity was built on coal, developed by the wealthy Lowther family who also laid out the elegant Georgian town. The wealth of Georgian architecture led to Whitehaven being listed as a 'gem town'

The historic 17th century harbour, enhanced by nautical sculptures, dramatic lighting effects and a brand new marina, is the focus for spectacular maritime events and activities including the occasional visit of tall sailing ships.

In the mid 18th century, Whitehaven was used as a template for the expansion of New York. (<https://www.golakes.co.uk/explore/western-lake-district/whitehaven.aspx>)

You are only 5 minutes from the Lake District, also known as

the Lakes or Lakeland, which was recently awarded UNESCO World Heritage Status. it is a mountainous region and an exceptionally popular holiday destination. It is famous for its lakes, forests and mountains (or fells), and its associations with William Wordsworth, Samuel Taylor, Coleridge and other Lake Poets and many other famous persons such as the marvellous Beatrix Potter and John Ruskin.
